ABOUT US

Everyonic Technology Private Limited has become a preferred IT service provider, offering a diverse range of solutions that include cutting-edge technologies such as the Internet of Things (IoT), mobility, security, big data, and cloud computing. These solutions are designed to help customers optimize processes, reduce infrastructure costs, manage risk, and drive top-line revenue growth.

Founded on 3rd February 2021, Everyonic Technology Private Limited has quickly established itself as a leading IT system integrator and consulting services provider in Pakistan. The company specializes in building robust ICT infrastructure solutions for a variety of organizations.

By combining deep business and technical expertise with an extensive knowledge of today's technologies, Everyonic Technology Private Limited ensures its clients receive mature, efficient, and capable service delivery. This positions the company as a leader among IT service providers in Pakistan.

VISION & MISSION

VISION

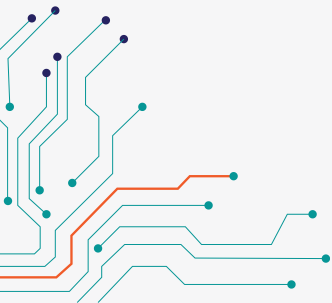

To be a trusted provider of high-quality products and outstanding customer service, driven by innovation, creativity, and the dedication of our team. We are committed to delivering exceptional value to our customers, rewarding our employees, and ensuring sustainable profitability. Our goal is to cultivate long-term relationships built on mutual trust, respect, and consistent excellence.

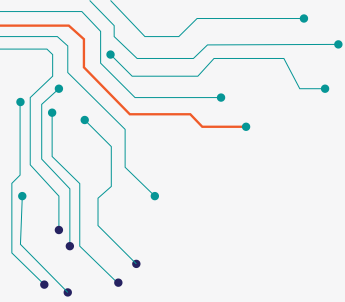

MISSION

At EVERYONIC TECHNOLOGY PRIVATE LIMITED, our vision is to achieve continuous growth and excellence by consistently exceeding customer expectations in quality, scope, and performance. We are guided by strong core values—committed to building lasting relationships that positively impact our clients, delivering premium-quality products and unmatched service, and upholding the highest standards of integrity in everything we do. Our team remains focused on innovation, professionalism, and delivering exceptional value through every solution we offer.

“CEO ‘S MESSAGE”

At Everyonic Technology (Pvt.) Ltd We set out to challenge outdated systems with smart, future-ready IT solutions. Our commitment lies in delivering tailored, end-to-end digital services that drive real business impact. Backed by experienced engineers, we invest in innovation and continuous improvement. We aim to stand apart by combining technical excellence with customer-centric thinking. Together, let's shape a smarter, more connected future.

WHAT MAKE US DIFFERENT

QUALITY

Deliver cutting-edge digital solutions to ensure total customer satisfaction

SAFETY

Maintain a zero-downtime and data security commitment across all operations

INNOVATION

Continuously adopt emerging technologies and enhance skillsets to drive innovation

THE KEY TO SUCCESS

OUR **CORE VALUES**

01

INTEGRITY & COMMITMENT

We uphold the highest ethical standards and build lasting customer relationships.

02

COLLABORATION & DRIVE

We work as a unified team, determined to achieve success in every endeavor.

03

EXCELLENCE IN QUALITY

We deliver superior solutions, continuously striving for improvement and innovation.

CYBER SECURITY SOLUTIONS

"Stay Secure. Stay Resilient."

In a rapidly evolving threat landscape, we help businesses safeguard their digital assets, maintain customer trust, and ensure regulatory compliance.

Our cybersecurity solutions offer multi-layered protection across all attack surfaces — from endpoints to cloud infrastructure.

Key Offerings:

- Advanced threat intelligence and real-time monitoring
- Next-generation firewall and endpoint protection
- Email security, malware defense, and vulnerability management
- Incident response and risk mitigation consulting

Our Trusted Partners: Fortinet, Kaspersky, Sangfor, Symantec, Trend Micro, CrowdStrike, Barracuda, ESET, SolarWinds

IT INFRASTRUCTURE & CLOUD SOLUTIONS

"Building Agile Infrastructures for the Digital Era."

We design and deploy robust IT infrastructures that adapt as your business evolves. Whether you're on-premises, hybrid, or fully cloud-native, we deliver high-performance solutions that drive business agility and resilience.

Key Offerings:

- Data center setup and enterprise networking solutions
- Server architecture and storage implementation
- Virtualization, cloud integration, and migration services
- Managed cloud operations (Azure, AWS, Hyper-V)

Our Trusted Partners: Cisco, Huawei, H3C, Dell, Lenovo, HPE, Azure, AWS

SOFTWARE SOLUTIONS

"Empowering Teams. Accelerating Innovation."

Boost your organization's productivity, creativity, and collaboration with best-in-class software solutions tailored to your specific needs. We help streamline your operations while enhancing user experience.

Key Offerings:

- Deployment of productivity suites (Microsoft 365, Office)
- Licensing and implementation of OS solutions (Windows, Windows Server)
- Creative and engineering software for design and modeling (Adobe, AutoCAD)

Our Trusted Partners: Microsoft, Adobe, Autodesk

BACKUP & STORAGE SOLUTIONS

"Your Data, Always Protected."

Data is your most valuable asset — and we ensure it remains secure, accessible, and recoverable at all times. Our backup and storage solutions provide business continuity, reduce downtime, and guarantee peace of mind.

Key Offerings:

- Enterprise-grade storage arrays and NAS solutions
- Automated backup, replication, and data archiving
- Disaster recovery solutions with cloud readiness
- Data governance and compliance frameworks

Our Trusted Partners: NetApp, Synology, Dell EMC, HP, QNAP, Veritas, Veeam, Acronis

ELV SYSTEMS

"Smart Buildings, Safer Spaces."

We integrate advanced ELV systems that bring intelligence, efficiency, and security to your facilities. Whether for offices, industrial complexes, or critical infrastructures, we deliver seamless automation and monitoring solutions.

Key Offerings:

- Intelligent video surveillance (CCTV) and access control systems
- Biometric authentication and attendance management
- UPS, power backup, and critical power management systems

Our Trusted Partners: Hikvision, Dahua, ZKTeco, Socomec, APC
